DETAILED ACTION

Reissue Applications

1. Supplemental Reissue Declaration is required. See MPEP 1414.01 & FP 14.05.02

(a) If additional defects or errors are corrected in the reissue after the filing of the application and the original reissue oath or declaration, a supplemental reissue oath/declaration must be filed, unless all additional errors corrected are spelling, grammar, typographical, editorial or clerical errors which are not errors under 35 U.S.C. 251 (see MPEP §1402). In other words, a supplemental oath/declaration is required where any "error" under 35 U.S.C. 251 has been corrected and the error was not identified in the original reissue oath/declaration. See MPEP 1414.01

(b) All oaths/declarations in a broadening reissue application must be signed by all of the inventors (except as otherwise provided in the rules, -see 37 CFR 1.42, 1.43, 1.47).

(c) Supplemental Reissue Declaration is required for the corrections/amendments to the claims which were filed on 10/2/09.

2. The reissue oath/declaration filed with this application is defective because it fails to identify at least one error which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and MPEP § 1414.
3. Claims 2-18 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the discussion above is set forth in the discussion above in this Office action.

Response to Arguments

4. Applicant's arguments, see page 8, filed 6/29/2010, with respect to rejections of claims 15-18 under 35 U.S.C § 251 as improperly broadening the claims have been fully considered and are persuasive. The rejections of claims 15-18 for improper broadening have been withdrawn.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any

extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
